PROFESSIONAL SUMMARY

Operations leader with 13 years of experience in premium retail in Mexico, with scope of District Manager / Regional Operations: multi-store management of regional portfolios in leading department stores (Liverpool, Sears, El Palacio de Hierro), with accountability over regional quota, commercial KPIs, and operating budget. Proven track record in sustained YoY sales growth, store operational standardization, leadership of 75+ sales force members, visual merchandising, and premium display negotiation. Complementary training in Data Analytics (SQL, Python, Power BI, Tableau) with a portfolio of 24 projects applied to retail, combining field operational expertise with technical capacity for data-driven decisions. English B2/C1. Available to travel.

CORE COMPETENCIES

- **Multi-Store Retail Operations:** District Manager scope, multi-store supervision, flagship store openings, quota and KPI accountability, store standardization (perfect store), Friedman method, operating budget.
- **Strategic Commercial Management:** YoY sales growth, cross-selling, product storytelling, average ticket, UPT, conversion, upselling, regional plans by market.
- **Inventory & Loss Prevention:** min/max control, transfers, adjustments, shrinkage reduction, product rotation, displayed store, operational image and cleanliness checklist.
- **Sales Force Leadership:** recruitment, training, coaching of fixed and seasonal sales force (including remote teams), incentive and bonus plans, turnover reduction in critical markets.
- **Visual Merchandising:** corner setup, premium display standards, space negotiation with department store floor managers and visual teams.
- **Commercial Intelligence:** competitive monitoring, market gap detection, assortment and pricing recommendations based on customer insights.
- **Data & Analytics:** SQL (PostgreSQL), Python (pandas, scikit-learn), Power BI, Tableau, Advanced Excel, interactive dashboards, A/B testing.
- **Languages:** Native Spanish | English B2/C1.

PROFESSIONAL EXPERIENCE

Trend & Accent — District Manager / Regional Operations Manager — Premium Import Furniture

Mexico City & national markets | March 2019 – March 2024

Supplier to Liverpool with imported furniture, decor and linens (India, VOX). Regional coverage of AAA Liverpool stores with high-ticket product (\$6,000–\$100,000+ MXN per piece). Accountability over regional quota, commercial KPIs and operating budget.

- **+20% sales increase in 3 months** in high-ticket furniture line, via redesign of training program focused on product storytelling and direct negotiation of premium displays with Liverpool floor managers.
- **Regional coverage of 24 points of sale** (12 AAA Liverpool stores CDMX + 12 national markets: Guadalajara, Monterrey, León and others), with proactive activation program for previously unattended markets.
- **Brand recognition** within Liverpool furniture department, positioning imported product vs. domestic offering through sales force training and visual improvement.

- **Inventory management improvement and shrinkage reduction** via operational checklist implementation (image, cleanliness, visual merchandising) and systematic tracking of min/max and rotation.
- **National training program** with in-person events for department store sales force (sales closing, premium product knowledge, Friedman technique).

Airbnb — International Property Manager — Vancouver, BC

Vancouver, BC (remote) | July 2017 – February 2019

- **Bilingual international operation** of Vancouver property via Airbnb platform, with peak revenues of \$9,000 CAD/month through listing optimization and dynamic pricing.
- **Demand and guest behavior analysis** to maximize occupancy and portfolio profitability, adjusting rate strategy based on seasonality and local competition.
- **North American market exposure** strengthening English proficiency and understanding of multi-market operations.

Distribuidora Internacional Lingerie de México (Leonisa) — District Manager / Regional Operations Manager

National coverage | November 2011 – June 2017

Colombian lingerie, swimwear and shapewear company. Coverage of the country's most extensive premium retail portfolio. Accountability over regional quota, commercial KPIs, operating and bonus budget.

- **Regional leadership of 50+ Liverpool stores, associated Sears locations, 14 Palacio de Hierro and 6 own stores** nationally, with coverage in CDMX and all national markets (north, southeast and southwest).
- **Sustained YoY growth, exceeding 10% annual target with high double-digit peaks in key categories** through disciplined execution of regional plans, performance improvement in underperforming markets and successful line extension launch.
- **Market gap detection and line extension push:** identified unmet demand (D+ cups and plus sizes, plus non-standard colors) via systematic sales force reporting; escalated insight to product in Colombia and the brand launched the extension, opening a new segment in Mexico.
- **Store operational standardization (perfect store)** via operational checklist implementation covering image, cleanliness, visual merchandising and Friedman sales technique across regional sales force.
- **Leadership of 60 fixed + 15 seasonal sales force members** (rotating between stores) with focus on UPT, average ticket and conversion metrics.
- **Intervention in critical high-turnover markets** (north, southeast, southwest) via in-person visits, national training and internal communication restoration, improving team stability and performance.
- **Flagship Liverpool store openings:** Interlomas, Antea Querétaro, Paseo Toluca, Puebla, Mitikah, Serdán Puebla — corner setup, sales force training and commercial launch coordination.
- **Competitive intelligence and space negotiation** with department store floor managers and visual teams for premium positioning.
